Subject: Update on Letter Regarding Gowanus CAG Dysfunction and Behavior

Hi Natalie, Shereen, and Doug,

Thanks again for taking the time to meet with Andrea, Chrissy, Michelle, and me on February 4th to discuss our serious concerns with the Gowanus CAG.

I wanted to give you a quick update on the status of our letter. I circulated a draft on February 10th, and Andrea was able to weigh in right away. Due to work commitments, Michelle was not able to do the same until this past weekend. And given a need to review with Riverkeeper management, Chrissy asked if she could have until the end of this week to respond.

As soon as everyone on our end has had a chance to weigh in, I will send you our updated draft for review before we send it on to Regional Administrator Garcia. We'll also, I think, try to recruit a couple additional signatories.

Best,

Eric
